

*A range of classic designs
manufactured by craftsmen
in the United Kingdom*

JL JARDINE LEISURE

Jardine Leisure offer the famous classic hand crafted furniture, which has been enjoyed for many generations.

Cast for many years in the World Heritage village of Ironbridge and now in our purpose built foundry in the market town of Bacup so you can be assured our furniture continues to be manufactured in the United Kingdom.

Using the original classic dies with the best quality products available today we are able to supply you with traditional furniture which will last a lifetime.

Our commitment to the environment

At Jardine we are committed to reducing our impact to the environment by using whenever possible best quality recycled material and goods from sustainable sources.

Whilst being a traditional company, our foundry uses the latest fuel efficient furnaces to melt high quality recycled aluminium which is used in all our furniture so you can be sure you are buying a 'low carbon footprint' item.

Grape

Grape Carver Chairs • Coalbrookdale 81cm Table

The Grape range is of classic Italian design, originally cast in iron.

Jardine Leisure first produced the Grape range some 40 years ago and now the Grape benefits from being manufactured in aluminium.

The chairs are available with or without arms and both look elegant with all our tables.

Grape Carver Chairs • Grape 61cm Table

Coalbrookdale

JL

Coalbrookdale Chairs • Coalbrookdale 68cm Table

Coalbrookdale Stool

Coalbrookdale 81cm Table

Our Coalbrookdale range takes its name from the village where the iron masters first cast this furniture alongside castings to build the famous Iron Bridge.

The Coalbrookdale range dates from an era of beautiful elegance and charm.

This range allows a variety of choice. Chairs, stools, 68cm table, 81cm table and 68cm coffee table to suit your garden.

•Arms are not available in this range.

Victorian

JL

Victorian Carver Chairs • Victorian Round Table

Hard nylon pads are fitted to 'quietly' protect your patio or conservatory floor.

Our top selling suite of furniture, the Victorian, owes its success to its heavy and robust design offering comfort with tradition.

The tables are made to order in a range of sizes to accommodate 2 to 12 chairs. Should you wish to seat more, we are able to manufacture to your bespoke length.

The chairs are available with or without arms and have been designed with a high back for support.

The Victorian range is ideally suited for alfresco family dining or elegant dinner parties.

Edwardian

JL

Edwardian Bench with Aluminium Slats

The Edwardian range offers a varied choice of options in the form of classic benches, chairs and tables providing timeless looks as well as comfort and practicality.

With a choice of sustainably sourced hardwood or extruded aluminium slats, the Edwardian range allows you to 'mix and match' the various pieces to suit your requirements.

Sandringham

Sandringham Bench with Aluminium Slats

Available as a traditional bench or chair, with a choice of hardwood or extruded aluminium slats.

The Sandringham continues to remain a favourite choice.

Classic Collection

Grape Carver Chairs • Grape Table

We have assembled a small selection of Classic Combinations to show the flexibility of the Jardine Leisure collection.

Here are just a few possibilities.

Although we currently supply a range of black, white and antique silver, we are happy to quote for your personal choice of colour.

The charm of our furniture is that it is not mass produced or perfectly symmetrical and because a lot of hand finishing is employed each piece is differently and therefore, unique.

ORDERING

Furniture is usually supplied ready assembled but sometimes because of location it will have to be assembled in situ but will always be supplied with all necessary nuts, bolts, washers & instructions.

DELIVERY

Deliveries are by courier so large items will require a suitable area to offload. Please note some items are heavy and may require two or more people to lift.
